

Florida Irrigation Society Managing Every Drop™

Manasota Chapter

January 30, 2018 | 6:00-8:30pm

Gecko's Grill and Pub - 5585 Palmer Crossing Circle, Sarasota, FL 34233

\$25 (member) | \$35 (non-member)

Dinner and cash bar provided

Topic: Do You or Do You Not Need a Permit?

The answer is . . . it depends. The Society's Manasota chapter has invited representatives from the Permitting Offices of Sarasota County, Manatee County and the City of Sarasota to give you their version of permit requirements for installation of new or updated residential and commercial irrigation systems. This will include any required plans review, inspections, and Notice of Commencement.
